

Small Business Bonding Readiness Assistance Program EDUCATIONAL WORKSHOPS

Are you looking to expand your business?

Do you want to bid on state or federal government contracts?

The Small Bonding Readiness Assistance Program is designed to better position New Jersey small, minority- and women-owned businesses to compete for state, county, municipal, agency or government contracts in the public sector.

Educational workshop participants should expect to:

- Learn more about bonding and its importance
- Gain a firm understanding of how to run your business effectively
- Learn the steps to securing bonding
- Review the application process and the components of a successful application
- Receive assistance applying through the online portal
