

Jack Miller is Solix, Inc. President and Chief Executive Officer as well as a member of the Company's Board of Directors. He also currently serves as an Executive Committee Member of the New Jersey State Chamber of Commerce where he chairs the State Healthcare Committee; as well as a Board member and past Chairman of the Morris County Chamber of Commerce.

Jack was elected Chief Executive Officer in 2014, overseeing all Solix operating units as well as strategic business planning and corporate development activities. In 2017, he was elected to serve on the Company's Board of Director. Prior to assuming his current position, he served as COO and was primarily responsible for growing and diversifying the company's service offerings and customer base. Before coming to Solix, Jack had more than 20 years of experience in a variety of senior strategic planning, business development, and operating positions at Bell Atlantic, NYNEX (now Verizon), and Digital Equipment Corporation.

Jack earned a Bachelor's degree in Economics from Harvard University and an MBA from Northeastern University. He has also completed Executive Education at Harvard Business School and the Duke Fuqua School of Business.
