

DAVID G. EVANS...a leader in today's global ministry. His passion for soul-winning is evident in his signature altar calls, touching hundreds of lives during each ministry opportunity. No stranger to excellence and consistency, the undergraduate degrees he earned in education and economics served as stepping stones to what he would spend his adult years doing: educating people and building thriving ministry organizations. His 27,000-member Bethany Church in Lindenwold, New Jersey, is the headquarter church for his Abundant Harvest Fellowship of Churches, a pastoral covering for more than 175 churches in the United States, Africa, and India. In addition to the ministry's record label, non-profit arm, and two books, *HEALED WITHOUT SCARS* and *DARE TO BE A MAN*, which together have sold nearly half a million copies, and soon to be released ... "*Elevate from Perdition to Providence*" and "*Where Did I Put That Sock!*"

Bishop Evans' ministry reaches millions of people through his radio program, entitled *ONPOINTE!* and television show *Elevate*. Gifted. Seasoned. Sage. David G. Evans is a voice of empowerment sent to revitalize the believer.
